The Journey Back from Hell Anton Gill,1991-09-01 *The Journey Back from Hell* Anton Gill,1988 This book is a record of oral history as the author recorded the personal testimony of over 100 survivors of the Nazi concentration camps in the course of his enquiry into how they have come to terms with their ordeals since World War II **This is Home Now** Arwen Donahue,2009-06-26 A look at the lives of nine Jewish Holocaust survivors after their liberation from Nazi concentration camps when they settled in rural Kentucky At the end of World War II many thousands of Jewish Holocaust survivors immigrated to the United States from Europe in search of a new beginning Most settled in major metropolitan areas usually in predominantly Jewish communities where proximity to coreligionists offered a measure of cultural and social support However some survivors settled in smaller cities and rural areas throughout the country including in Kentucky where they encountered an entirely different set of circumstances Although much scholarship has been devoted to Holocaust survivors living in major cities little has been written about them in the context of their experiences elsewhere in America This Is Home Now Kentucky s Holocaust Survivors Speak presents the accounts of Jewish survivors who resettled outside of the usual major metropolitan areas Using excerpts from oral history interviews and documentary portrait photography author Arwen Donahue and photographer Rebecca Gayle Howell tell the fascinating stories of nine of these survivors in a unique work of history and contemporary art The book focuses on the survivors lives after their liberation from Nazi concentration camps illuminating their reasons for settling in Kentucky their initial reactions to American culture and their reflections on integrating into rural American life Praise for This is Home Now Until Donahue and Howell turned their recorders and cameras on these well chosen survivors living in Kentucky no one had taken the time to ask how these solitary transplants made new lives for themselves and their children in rural middle America The stories and images reproduced in this book are both moving and arresting We owe Donahue and Howell a great debt for rescuing them before they disappeared down the trapdoor of historical memory Lawrence N Powell author of Troubled Memory Anne Levy the Holocaust and David Duke s Louisiana Each of the stories can stand on its own as a fascinating example of what has transpired for Jews outside of New York City David Wallace Community Jewish Community Association of Louisville This Is Home Now focuses on the overlooked stories of Holocaust survivors who relocated to the commonwealth Lexington Herald Leader **The Blessed Abyss** Nanda Herbermann,2000 One woman s memories of her deportation to Ravensbr ck Concentration Camp for Women in July 1941 **The Jewish Holocaust** Marty Bloomberg,Buckley Barry Barrett,1995-01-01 This expanded edition of the guide to major books in English on the Holocaust is organized into ten subject areas reference materials European antisemitism background materials the Holocaust years Jewish resistance **The Jewish Book Guide** Wendy Bernstein Schauder,1990-05-01 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *The New York Times Book Review* ,1990 Presents extended reviews of noteworthy books short

The Utne Reader ,1990 Foreign Affairs ,1989 Stealth Altruism Arthur B. Shostak,2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember Stealth Altruism tells of secret non militant high risk efforts by Carers those victims who tried to reduce suffering and improve everyone s chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B Shostak explores forbidden acts of kindness such as sharing scarce clothing and food rations holding up weakened fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration

On Listening to Holocaust Survivors: Beyond Testimony Henry Greenspan,2010-11 Challenges conventional wisdom and wisely transforms the process of discerning and responding to what survivors of the Holocaust and other genocides have to say **On Listening to Holocaust Survivors** Henry Greenspan,1998-09-30 How do Holocaust survivors find words and voice for their memories of terror and loss This landmark book presents striking new insights into the process of recounting the Holocaust While other studies have been based typically on single interviews with survivors this work summarizes twenty years of the author s interviews and reinterviews with the same core group In this book therefore survivors recounting is approached not as one time testimony but as an ongoing deepening conversation Listening to survivors so intensively we

hear much that we have not heard before We learn for example how survivors perceive us their listeners and the impact of listeners on what survivors do in fact retell We meet the survivors themselves as distinct individuals each with his or her specific style and voice As we directly follow their efforts to recount we see how Holocaust memories challenge their words even now burdening survivors speech distorting it and sometimes fully consuming it It is not a story insisted one survivor about his memories It has to be made a story On Listening to Holocaust Survivors shows us both the ways survivors can make stories for the not story they remember and just as important the ways they are not able to do so **When Truth was Treason** Blair Holmes, Alan Frank Keele, 1995 A chilling true story of four courageous teenagers who defied the Nazis Based on a first person account by one of the surviving conspirators Karl Heinz Schnibbe a working class son of the city of Hamburg this book provides a vivid chronicle of the brave young men who faced the awful tyranny of a nation's darkest hour 20 photos **Kliatt Young Adult Paperback Book Guide**, 1990 **Nazi History and the Holocaust**, 1999
