All In The Cards:

In The Cards Celia Lake, 2019-11-21 Enjoy this kind and gentle 1920s historical fantasy romance series set in the magical community of Great Britain. Laura wants to live her life. Laura hasn't had an easy time since she was fifteen. Illness, recovery, and then a rough few years after her father's presumed death have left her reeling. Now in her mid twenties, Laura can finally have the life she always dreamed of, full of parties and perhaps even romance and love. Her first attempt ended badly, disastrously, actually. But now Laura's determined to put that all behind her. When she's invited to a house party on a remote island off the coast of Cornwall, she's glad to accept. If nothing else, the scenery will be stunning. Friendship is everything. Martin and Galen have been best friends since their first year in school. Martin is building a career as a journalist, but Galen hasn't had the same chance. His parents have kept him close since Galen's brother returned from the Great War with a devastating facial injury. Recently, Galen's mother has become determined to get him married. She's planned an intimate house party and an evening ball. After his father unexpectedly invites a brash American brother and sister, the gathering takes an odd turn. When the American woman turns up dead in the solarium and the entire island is cut off by storm and magical interference, Galen, Martin, and Laura must work together to find out who killed her and why. The investigation uncovers secret after secret, and Galen and Martin's membership in a radically progressive group puts them both at risk. In The Cards is the fifth novel in the Mysterious Charm series. All of Celia Lake's Albion books exploring the magical community of the British Isles can be read in any order. It is a locked room murder mystery full of Tarot cards, friendship, family secrets, living with chronic illness, and a bit of espionage. Enjoy this charming romantic fantasy with a swirl of sex set in 1925 with a happily ever after ending. **Keywords:** forced proximity, choosing between two men, slow burn, best friends, tuberculosis, chronic illness, cover up, locked room, espionage, Great War, facial injury, murder mystery, investigator cut off from the world, remote island, Tarot cards, divination, 1920s, 1925, no cliffhangers, happily ever after, guaranteed HEA, Cornwall, England, Great Britain, British Isles, fantasy, romance, fantasy, romance, romantic, fantasy, historical, fantasy, historical, romance, romance with magic, Great War, World War I.

The Call of the Cards Heather Hardison, 2022-07-02 Alexandra Steele, a clinical psychologist, stumbles upon a mystical store in downtown Memphis, TN, where she encounters tarot cards for the first time. She doesn't realize it at the time, but this simple encounter will leave her life forever changed as she uncovers a world of past life connections to the cards and the craft of divination. This sparks an awakening that opens door after door of a long line of mystic and witch incarnations that run throughout her history. As she reconnects to these deep mystical ties, she begins to learn about her destiny, which is revealed as she starts to encounter coven sisters and foes from previous incarnations. Will her tendency to hide in the shadows and play small continue to hold her back, or will the call of the cards lure her onto her destined path of a life full of magic and sisterhood.
