**The Hidden Jesus** Donald Spoto,1999-09-13      **New Life in Christ Jesus** Bret Griffin,2012-11-13 Learn to Walk in Newness of Life Two thousand years ago the Creator of the universe died on a cross for our sins and rose from the dead Today He draws all people to Himself and gives eternal life to everyone who believes in Him For those of us who have trusted in Him the most amazing thing is that Jesus Christ now lives in our hearts But what does it really mean that Jesus lives in our hearts In amazing detail New Life in Christ Jesus shows from the Scriptures that Jesus presence means that we have everything we need for life and godliness It means we are Gods children His offspring It means we have His Divine Nature His DNA It means we have His life His righteousness and His holiness It means He leads guides and directs us from inside our hearts It means our sins are forgiven completely and forever It means we may walk with Him in the newness of life Pick up New Life in Christ Jesus and learn how to take advantage of this platform God has given us for godly living Learn to trust the Holy Spirit when He speaks to you Learn to recognize the righteousness you possess in Christ Learn to accept in full His forgiveness for all the shortcomings of your flesh Learn to walk free of the law without using your liberty as a cloak for vice And learn to resist every effort of man and spirit to move you from this course      What Manner of Man Is This? John W. Hawkins,2009-04-15 Who was Jesus Was he just a Jew who lived 2000 years ago Was he God incarnate Was he the Messiah a teacher a healer a miracle worker or a world savior He was all of these things depending on what source you are using to define him This book tells us about Jesus perhaps the greatest man who ever lived among us through a number of different and often differing sources 1 The Holy Bible both Old and New Testaments 2 modern scholars and historians who make frequent use of documents not discovered until the middle of the last century 3 from the stories of people who knew him uncovered though the agency of past life regressions and 4 from two well known twentieth century psychics Edgar Cayce and Levi Dowling who obtained their information from what they called the akashic records To supplement the material quoted herein footnotes are provided that list the author and publisher of more than sixty books used in doing research for this book

**Emmaus Bible Resources Christ Our Life** David Day,2003 The letter to the Colossians was written to a church dominated by powerful forces and alternative spiritualities It is thus remarkably relevant to our day Paul s theme is no less relevant Christ will have first place in everything David Day s book encourages us to consider how to give Christ pre eminence in every area of our lives both personal and corporate The Emmaus Bible Resources series offers readers the opportunity to dig deeper into the Bible and grow in Christian life faith and service Finding a middle ground between daily Bible notes and weighty commentaries the series contains versatile material designed for use by individuals small groups or as part of a sermon series      **A Hope-Filled Life** James R. Wilkes,2021-03-02 Hope is part of the spiritual vocabulary of the believer in Jesus Christ The word is found abundantly in the Scriptures We speak of it in our testimonies and fellowship We sing about it in our corporate worship Yet it would seem at times that our concept of hope is understood in merely some

vague way Hope seems like an abstraction something we consider only theoretically not something that really matters or makes a difference However biblical hope is a gospel grace that provides joy and endurance for our lives right now A Hope Filled Life seeks to define biblical hope and provide a practical theology for understanding and applying it to our lives Hope is indeed not an optional add on but a vital necessity Embracing the many truths about hope in the Scriptures strengthens our hearts As we run the race set before us we must grow in our understanding that Jesus Christ is truly our great Savior and our sure and steadfast hope *Eternal Hope* Emil Brunner,2023-07-27 Describing his objective in writing *Eternal Hope* Emil Brunner boldly claimed that a church that has nothing to teach concerning the future and the life of the world to come is bankrupt Half a century later such a challenge might still be levied Against this backdrop Brunner offers a way forward that is conscious never to stray far from scripture yet nevertheless pastorally sensitive Indeed one of the central tenets of his approach is that the Gospel offers no comfort to the individual that is not at the same time a promise for the future of humanity as a whole He proceeds systematically through the promises and mysteries that the Christian faith holds surrounding death while holding the hope of eternity as a constant goal A precursor to his more rigorous Dogmatics and partly in preparation for the second assembly of the World Council of Churches in 1954 *Eternal Hope* was also written just a year after the tragic death of Brunner s son It is therefore no surprise that he combines the vulnerability of his personal encounter with death and a theological outlook that has universal implications **The Secret Disciple** Mark

Penderghast,2019-04-18 There met him out of the tombs a man with an unclean spirit who lived among the tombs and no one could bind him anymore even with a chain And Jesus asked him What is your name He replied My name is Legion for we are many Mark 5 29 *The Secret Disciple* offers a riveting and plausible alternative version of the advent of Christianity based on a close reading of the gospels This religious mystery story comes to the startling conclusion that the risen Jesus was in fact Legion Jeremiah the secret disciple If you are among those who have always questioned the story of the resurrection or wondered about the family of Jesus this book is for you **WHAT OTHERS ARE SAYING** *The Secret Disciple* retells the Christ story in beautiful language demystifying the resurrection miracle and envisaging Jesus as a true prophet of his times whose demon haunted follower Jeremiah becomes his most devoted disciple with startling consequences Readers also meet narrator Mary Magdalene thick headed Simon Peter and James the younger brother of Jesus A magnificent and fascinating read Bill Schubart author *The Priest* *Modern Scottish pulpit, sermons by ministers of various denominations* Scottish pulpit,1880

**The Hidden Life** Adolph Saphir,1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of *The Hidden Life* For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of

India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878     *The Complete Works of Thomas Manton, D.D.* Thomas Manton,1873     **New Every Morning** Donald Ernest Mansell,1981 A collection of devotional readings for Junior Youth for every day of the year each recalling an event from the recent or remote past which took place on that date Daily readings for January 1 to December 31 each recalling an event from the recent or remote past which took place on that date
