**50 Days of Faith for Entrepreneurs** Frank Thompson,2015-01-22 You are a product of God s imagination meaning God s creative power to form mental images of things not yet present After God imagined you he called you into existence with his business plan Now your business plan is simply the thoughts of God So nothing will please God about you except what He imagined *40 Days to Your Best Life for Women* Susan Sealy,2005-11 This 40 day devotional rich in inspiration and wisdom is just for women whowant to achieve their best in life *The Stills of My Life* Survivorsurd,2019-12-02 Today people believe in astrology when they fail and in doctors decisions when they are sick People have forgotten the importance of belief One must understand that they exist for a reason which will be realized with time Competition and anxiety often lead to individuals trusting astrologers more than themselves The mind turns into a chaotic space when humans fall ill Instead of understanding what would possibly have gone wrong and find ways to rectify the same we seek the help of doctors Doctors are considered to be the second gods who save people s lives and the author truly believed this until he met someone in his life who disproved this fact The power of belief is incredible The author never stopped believing in himself even after the doctor put him down by giving hints of his inevitable demise which affected both his mental and physical health so much so that he was unable to walk This in turn made the author get in touch with astrologers who also predicted his impending death The author decided to take steps against the decisions of the doctors and astrologers believing that something different could happen And with hard work and belief finally it did *40 Days to Your Best Life for Single Mothers* Lora Schrock,2005-11 Begin the 40 day journey to your best life today God is near He is standing next to you through every circumstance with strong arms to carry you and a kind ear ready to listen Through him you can live your best life *Best Life* ,2006-07 Best Life magazine empowers men to continually improve their physical emotional and financial well being to better enjoy the most rewarding years of their life
