**Unstructured** Julius Brown, 2024-04-05 There is a plethora of gray area when it comes to one s perspective Sometimes there is no right or wrong There are multiple perspectives that are acceptable Anxiety and depression are highly controversial subjects because one cannot act in a way that everyone will accept or think is absolute Life is very interesting and can shatter your soul into a thousand pieces one day or can have you feeling so confident in yourself that you are genuinely happy and believe you can do anything Toxic work environments are abundant in America and there is no sign of this becoming resolved Why Because CREAM Cash Rules Everything Around Me It s bullshit especially when the leadership of these companies don t give a fuck and just want to have money or power or sometimes both Let s not forget about personal relationships either These are just as important for our mental health My experiences in life are a fucking roller coaster of emotions that run deep Am I right Am I wrong There is no definitive answer There is only perspective And everyone has one
