Reed, David K. Ngaruiya, 2023-10-31 What must I do to be saved That question raised in the book of Acts by the Philippian jailer is a question for the ages Yet what even does it mean to be saved Is salvation for this life or the next Is it purely spiritual or does it have physical and material implications Can salvation be lost

Do we determine who will be saved or does God? What role does Christ play in salvation? Such are the seemingly unending questions soteriology strives to answer. In this eighth volume from the Africa Society of Evangelical Theology, African theologians articulate their understanding of salvation and its widespread implications for life and practice in conversation with Scripture and the rich diversity of an African cultural context. Salvation is examined from historical, philosophical, and theological lenses, and scholars address topics as wide-ranging as conversion, ethnicity, fertility, poverty, prosperity, the Trinity, exclusivism, African Pentecostalism, rural community, eschatology, wholeness, and atonement. It is a powerful exploration of the holistic nature of salvation as articulated in Scripture and understood by the African church.
