Examenskolloquium language English abstract World literature is full of great love stories but there are only few that make it through the centuries and are as well known and loved today as they were decades ago One of those writers who have the ability to leave an everlasting impression is Jane Austen who wrote of a time but also beyond it her voice continues to enchant and enthrall Crusie 1 Her novels are undeniably among the most examined works of English literature Over the years scholars laity as well as professionals have approached Austen's writing from various perspectives and hence innumerable papers dissertations articles and books have been written about the author and her work in general and especially about her novel Pride and Prejudice Since its publication in 1813 it has called forth heavy criticism as well as effusive praise and it is remarkable that although the literary world has changed noticeably in the course of nearly two hundred years her novel is still admired and considered to be of significance today From Austen's contemporary writing and its scarce possibilities for female novelists on to the emancipation of the female author and the increased literary output of postmodern writers at the end of the Twentieth Century and to the possibilities for women novelists in the recently developing genre labelled chick lit Pride and Prejudice still continues to fascinate readers and thereby encourages other writers Especially the developing relationship of the two protagonists Elizabeth Bennet and Mr Fitzwilliam Darcy captivates readers all around the world and proves that their story is as appealing in the present as it was in the past The appeal of Austen's best known and probably most famous novel to literary posterity 1      **The British National Bibliography** Arthur James Wells, 2006      The Clique, 1981      *Eclectic Magazine and Monthly Edition of the Living Age*, 1899      Notes and Queries, 1917      *The Spectator*, 1881 A weekly review of politics literature theology and art      Eclectic Magazine, and Monthly Edition of the Living Age John Holmes Agnew, Walter Hilliard Bidwell, Henry T.
