

A promotional image for the movie 'The Abyss'. The scene is set in a dark, underwater environment. In the foreground, two characters are visible: a woman with curly hair looking upwards with a concerned expression, and a man with a mustache looking towards the camera. In the background, a small figure stands on a rocky outcrop, looking out over the vast, dark ocean. The title 'THE ABYSS' is prominently displayed in large, glowing blue letters on the right side of the image, with a small decorative element above the letter 'A'. The overall atmosphere is mysterious and dramatic.

**At the Abyss** Thomas C. Reed,2004 The Cold War was a fight to the death notes Thomas C Reed fought with bayonets napalm and high tech weaponry of every sort save one It was not fought with nuclear weapons With global powers now engaged in cataclysmic encounters there is no more important time for this essential epic account of the past half century the tense years when the world trembled At the Abyss Written by an author who rose from military officer to administration insider this is a vivid unvarnished view of America s fight against Communism from the end of WWII to the closing of the Strategic Air Command a work as full of human interest as history rich characters as bloody conflict Among the unforgettable figures who devised weaponry dictated policy or deviously spied and subverted Whittaker Chambers the translator whose book Witness started the hunt for bigger game Communists in our government Lavrenti Beria the head of the Soviet nuclear weapons program who apparently killed Joseph Stalin Col Ed Hall the leader of America s advanced missile system whose own brother was a Soviet spy Adm James Stockwell the prisoner of war and eventual vice presidential candidate who kept his terrible secret from the Vietnamese for eight long years Nancy Reagan the Queen of Hearts who was both loving wife and instigator of palace intrigue in her husband s White House From Eisenhower s decision to beat the Russians at their own game to the Missile Gap of the Kennedy Era to Reagan s vow to lean on the Soviets until they go broke all the pivotal events of the period are portrayed in new and stunning detail with information only someone on the front lines and inbackrooms could know Yet At the Abyss is more than a riveting and comprehensive recounting It is a cautionary tale for our time a revelation of how those years came to be known as the Cold War not World War III

**The Jewish Popes** Leon G. Van Wert,2009-10 Will we ever see peace in the Middle East If so how will it come about Currently negotiations are in the works for the creation of an independent Palestinian State However it will be located in part of the land which Orthodox Jews believe was set aside by God exclusively for the Jews They contend that the Israelites under Moses covenanted with God never to let non Jews live in any part of the Promised Land They further believe that a breach of this sacred Covenant will lead to divine curses for the disobedient Jews including the conquest of Israel by her enemies and the deportation of the surviving Jews to foreign lands Dr Leon G van Wert now has written a new and exciting eschatological work which clearly shows that the creation of a new non Jewish Palestinian State within the boundaries of the Promised Land will bring us one pivotal step

closer towards the End Times Using the Old Testament as his guide to interpreting the book of Revelation Dr van Wert has unlocked this mysterious book of the Bible When is the end The end is near says the author when after the creation of an independent State of Palestine the Cardinals elect two successive Jewish Popes Speeding to the Millennium Joseph P.
