Financial Accounting Wallace,1993 *Accounting* Stephen C. Shaefer,2001-06 The Demo Docs System of
 instruction replicates the classroom experience by providing more I get it moments outside of class We ve talked to tons of
 POA instructors and our editors have even taken the accounting course numerous times to figure out the following issue in
 this course that is consistent Students understand or get it right after you do a problem in class but as soon as they leave
 class with each passing hour their ability to do the problems again and complete their homework diminishes to the point of
 them either having to come to office hours to get help or they just quit and get behind in the course On top of this you can
 end up getting behind in the course as well in order to keep everyone on track The Demo Docs system helps to recreate the I
 get it moments outside of class keeping both you and the students on track
