Apple Black Friday Uk Date:

The Solo Beatles Film & TV Chronicle 1971-1980 Jörg Pieper, 2009-05-17 This book is meant as a companion volume to *The Beatles Film TV Chronicle 1961-1970* and covers the first ten years of the solo careers of the individual Beatles from 1971 to 1980. It is the indispensable reference book for every serious Beatles video collector with several years worth of research and investigation into the massive amount of film material held in archives around the world. The book includes details on over 100 hours worth of solo material with many items covered for the very first time and is fully illustrated with over one hundred and eighty thumbnail images b/w taken from a variety of film sources. As a bonus the book also includes a chapter of updates regarding recently discovered and new information about films of The Beatles as a group during the years from 1961 to 1970. Through the years the author has been consulted for several Beatles film and book projects including the 2011 Martin Scorsese documentary *George Harrison: Living in the Material World*. **Harpers Wine & Spirit Directory**

, 1999 *The New Partridge Dictionary of Slang and Unconventional English: J-Z* Eric Partridge, 2006 Entry includes attestations of the head word/s or phrase/s usage usually in the form of a quotation. Annotation 2006 Book News Inc Portland OR booknews.com *The New Partridge Dictionary of Slang and Unconventional English* Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough, intense and lively scholarship that characterized Partridge's own work. Unique, exciting and at times hilariously shocking, key features include unprecedented coverage of World English with equal prominence given to American and British English slang and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland and the Caribbean; emphasis on post World War II slang and unconventional English; published sources given for each entry, often including an early or significant example of the term's use in print; hundreds of thousands of citations from popular literature, newspapers, magazines, movies and songs illustrating usage of the headwords; dating information for each headword in the tradition of Partridge; commentary on the term's origins and meaning. New to this edition: A new preface noting slang trends of the last five years; Over 1,000 new entries from the US, UK and Australia; New terms from the language of social networking. Many entries now revised to include new dating, new citations from written sources and new glosses. *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning; it's rude, it's delightful and it's a prize for anyone with a love of language.
