Each chapter offers a review of the most pertinent literature, outlining current issues and identifying possibilities for future research. Featuring two chapters by Editor David H. Barlow, one on changes during his own 40-year odyssey in the field, the other projecting ten themes for the future of clinical psychology. The Oxford Handbook of Clinical Psychology is a landmark publication that is sure to serve as the field's benchmark reference publication for years to come. It is an essential resource for students, clinicians, and researchers across the ever-growing clinical psychology community. **Automotive News**, 2002 **Subject**
