**Beyond Repair?** Alison Crosby, M. Brinton Lykes, 2019-05-10 Winner of the 2021 Raphael Lemkin Book Award from the Institute for the Study of Genocide Honorable Mention 2020 CALACS Book Prize Beyond Repair explores Mayan women's agency in the search for redress for harm suffered during the genocidal violence perpetrated by the Guatemalan state in the early 1980s at the height of the thirty six year armed conflict. The book draws on eight years of feminist participatory action research conducted with fifty four Qeqchi Kaqchikel Chuj and Mam women who are seeking truth justice and reparation for the violence they experienced during the war and the women's rights activists lawyers psychologists Mayan rights activists and researchers who have accompanied them as intermediaries for over a decade. Alison Crosby and M Brinton Lykes use the concept of protagonism to deconstruct dominant psychological discursive constructions of women as victims survivors selves individuals and or subjects. They argue that at different moments Mayan women have been actively engaged as protagonists in constructivist and discursive performances through which they have narrated new mobile meanings of Mayan woman repositioning themselves at the interstices of multiple communities and in their pursuit of redress for harm suffered.

**Access to Contract Health Services in Indian Country** United States. Congress. Senate. Committee on Indian Affairs (1993- ), 2008 *Shipbuilding and Ship Repair Workers around the World* Raquel Varela, Hugh Murphy, Marcel Linden, 2025-10-01 Maritime trade is the backbone of the world's economy. Around ninety percent of all goods are transported by ship and since World War II shipbuilding has undergone major changes in response to new commercial pressures and opportunities. Early British dominance for example was later undermined in the 1950s by competition from the Japanese who have since been overtaken by South Korea and most recently China. The case studies in this volume trace these and other important developments in the shipbuilding and ship repair industries as well as workers responses to these historic transformations.

**Monthly Catalogue, United States Public Documents**, 2005 **National Parks beyond the Nation** Adrian Howkins, Jared Orsi, Mark Fiege, 2016-03-31 The idea of a national park was an American invention of historic consequences marking the beginning of a worldwide movement the U.S. National Park Service asserts in its 2006 Management Policies. National Parks beyond the Nation brings together the work of fifteen scholars and writers to reveal the tremendous diversity of the global national park experience an experience sometimes influencing sometimes influenced by and sometimes with no reference whatever to the United States. Writer and historian Wallace Stegner once called national parks America's best idea. The contributors to this volume use that exceptionalist claim as a starting point for thinking about an international history of national parks. They explore the historical interactions and influences intellectual political and material within and between national park systems in Canada New Zealand South Africa Indonesia Antarctica Brazil and other countries. What is the role of science in the history of these preserves Of politics What purposes do they serve Conservation Education Reverence toward nature Tourist pleasure People have thought differently about national parks at

different times and in different places and neat physical boundaries have been disrupted by wandering animals human movements the spread of disease and climate change Viewing parks around the world at various scales and across national frontiers these essays offer a panoptic view of the common and contrasting cultural and environmental features of national parks worldwide If national parks are as Stegner said absolutely American they are no less part of the world at large National Parks beyond the Nation tells us as much about the multifarious and changing ideas of nature and culture as about the framing of those ideas in geographic temporal and national terms
