Four sections cover the significance of interpersonal communication, developing self-awareness, managing realities of communication as a paramedic, and scenarios for practice. Promotes self-reflection on your personal communication style and habits. Introduces the strategies and skills you need for real life. Encourages the development of confidence through activities, scenarios, and case studies. Wide range of examples to reflect paramedic practice. Relevant resources for ongoing development and improvement of communication skills. Student resources on Evolve. Answers to end of chapter review questions. Student quiz.
