gospel and incessant labours he died on the 17th of November 1668 aged thirty four This book has been through many

CHAPTER III OF THE NECESSITY OF CONVERSION It may be you are ready to say What meaneth this stir and are apt to
wonder why I follow you with such earnestness still ringing one lesson in your ears that you should repent and be converted
1 But I must say unto you as Ruth to Naomi Intreat me not to leave thee or to return from following after thee 2 Were it a
matter of indifference I would never keep so much ado might you be saved as you are I would gladly let you alone but would
you not have me solicitous for you when I see you ready to perish As the Lord liveth before whom I am I have not the least
hopes to see one of your faces in heaven except you be converted I utterly despair of your salvation except you will be
prevailed with to turn thoroughly and give up yourselves to God in holiness and newness of life Hath God said Except a man
be born again he cannot see the kingdom of God 3 and yet do you wonder why your ministers do so earnestly labour for you
Think it not strange that I am earnest with you to follow after holiness and long to see the image of God upon you Never did
any nor shall any enter into heaven by any other way but this The conversion described is not a high attainment of some

eminent christians but every soul that is saved passeth this universal change It was a saying of the noble Roman when he was hasting with corn to the city in the famine and the mariners were loth to set sail in foul weather It is necessary for us to sail it is not necessary for us to live What is it that thou dost count necessary Is 1 Acts iii 19 Buth i 16 John Hi 3 thy bread necessary Is thy breath necessary Then thy conversion is much more necessary Indeed this is the one thing *An Alarm to Unconverted Sinners*, 1780 *An Alarm to the Unconverted* Rev. Joseph Alliene, 1816 *An Alarm to Unconverted Sinners* Joseph Alleine, 1770 **Alarm to the Unconverted** Joseph Alleine, 2020-05-27 One of the best books every penned by a man Joseph Alleine s *Alarm to the Unconverted* is a must read for anyone wanting to know their true state before God There is no other book so plain thorough Bible or trying as this time honored Puritan classic Though the author who lived during the 1600 s lost his life at the tender age of 34 he accomplished much in a relatively short time The impact of his powerful evangelistic book which unflinchingly lays out the marks of both the godly and unconverted continues to be felt centuries after his death As the author points out two of the most notable marks of the ungodly are Trait 1 reigning malice and envy against those who disrespect them In the words of Alleine where this evil is kept boiling in the heart and is not hated resisted and mortified but habitually prevails that person is in the very gall of bitterness and in a state of death Rather than seeking vengeance believers should leave that work to the all knowing judge of the earth focusing their efforts on striving to be like Jesus and repaying evil with good Trait 2 relates to the prevailing love of pleasure In the words of Alleine when men give the flesh the liberty that it craves when their great delight is in gratifying their bellies and pleasing their senses whatever appearances they may have of religion all is unsound Though written almost four centuries ago *Alarm for the Unconverted* is just the medicine needed by Christians today A heart searching book it should be read slowly with much meditation Those who read closely will understand clearly the difference between those who merely profess and those who actually possess true Christianity The conviction of sin is just what is missing in many churches today With the Holy Spirit to guide this book will provide just that **An Alarm to Unconverted Sinners in a Serious Treatise on Conversion** Joseph 1634-1668 Alleine, 2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
