same Are there times when it is okay or even better to be a little envious or jealous How do the Scriptures testify of the severity of the sin And last but not least how do we overcome it These and many other questions will be answered in this analytical spiritual book of a devout Christian Envy is often something we point out in others but if we face the facts and admit to being imperfect finding it in ourselves can actually improve our lives our attitude and our happiness When we figure out where our feelings are wrong we can take action and change our mind set In this book we ll go over everything there is to learn about envy including subtopics such as Coveting compared to romantic jealousy in relationships How we can overcome the obsession of competing with others and instead improve ourselves How to step away from the addiction of popularity and worldly attention Biblical stories references and Scriptures about envy How self esteem and envy are often related to each other Extreme examples from the news with psychotic green monsters Steps to minimize envious feelings when you don t know what to do with them How the parable of the prodigal son has everything to do with envy The best way to avoid the self destructive sin of coveting another s life and be content with what we have been given So many people think of envy as a sin against others but actually we are doing this to ourselves We create our own misery by looking at others and comparing ourselves to them Discover what God has said about this in the Bible Learn from a critical thinker who has created an in depth stream of thoughts about one of the seven sins identified more than 1 000 years ago Do yourself a favor and learn more about yourself Live a better life by never being envious again
