Alien Insertion English Edition:

Tears Of Rain - Ethnicity & Hist Van,2016-05-06 First published in 1992 This is a book about ethnicity among the Nkoya people in central western Zambia and about the historical background out of which that ethnicity is made It studies in detail the fascinating ways in which ethnicity both creates and feeds upon ethno history At the same time it assesses the possibility of reconstructing objective historical processes in that region since the sixteenth century on the basis primarily of one very extensive source Rev Johasaphat Malasha Shimunika s Likota lya Bankoya whose production as a compilation and processing of local oral traditions is intimately related to contemporary ethnicity But most of all this is a book about that fundamental and humble condition of scholarship reading

Representing Translation Dror Abend-David,2019-02-21 In an increasingly global and multilingual society translators have transitioned from unobtrusive stagehands to key intercultural mediators a development that is reflected in contemporary media From Coppola s Lost in Translation to television s House M D and from live performance to social media translation is rendered as not only utilitarian but also performative and communicative In examining translation as a captivating theme in film television commercials and online content this multinational collection engages with the problems and limitations faced by translators as well as the ethical and philosophical aspects of translation and Translation Studies Contributors examine the role of the translator as protagonist agent negotiator and double agent translation in global communication the presentation of visual texts multilingualism in contemporary media and the role of foreign languages in advertisements Translation and translators are shown as inseparable parts of a contemporary life that is increasingly multilingual multiethnic multinational and socially diverse
