**It's You** Sandeep Ravidutt Sharma,2024-04-17 This book is just a small attempt to share and dedicate the flow of thoughts which comes to my mind in the lotus feet of the Lord As I live in this body and take each breathe I m happy to see how the grace of the Lord is showered upon us day in and day out He is always there for us all we need is the purity of thoughts and actions to see his presence every time and everywhere We falsely assume to be Doer all the time but the fact is that everything in this world is happening as per the wish command and grace of the Lord The words seems to be penned by me but I m just the receiver and the source is our dear Lord You may find some of the thoughts sounding familiar to what you and others have experienced or are already experiencing You can read this book the way you want You can read it in one go or you can read pages randomly I sincerely hope you will find this book amazing interesting rejuvenating unique and a constant source of inspiration If you like this book do share it with others and never forget to dedicate your actions and it s fruits in the lotus feet of the Lord Thank you and happy reading Discoveries in the Human Brain Louise H.
