Trouble Kathleen Rigdon Highley, 2022-05-11 A storm brewed beneath her skin that she couldn't identify Not what had stirred it up Not where it had come from And not what distant land it might whisk her off to She couldn't put her finger on it But there was something out there that felt like claws at the tips of long wrinkly hands covered in black lace reaching for her Like the monsters she'd once imagined crouching in the closet or under her bed like the bad guy lady in the story of Snow White Lacey had lived with night terrors since she was a child Shifting shadows that threatened to carry her away from her family And she had never told anyone the root of that fear But now for the first time in her life she felt as if trouble waited outside her door in broad daylight As a local small town attorney Lacey Lujan willingly represented juveniles on a regular basis a service that had become routine But there was nothing routine about murder As the plot unfolds we discover that a second threat to her homespun happiness lurked in the background Desperate men who believed she held the secret to a hidden treasure obtained during an act of treason Lacey had nowhere to run nowhere to hide Her father's past had put her directly in the line of fire From what direction would the trouble hit first From an angry teen with an inflated ego or from the sons of military traitors who let greed consume them Where would they strike and how would the dangerous saga end

SECRET OF STONE CASTLE Kathleen Rigdon Highley, 2024-09-22 Clue No Three I came to America to save your life and give you the treasure you seek From the time you find the next clue you will have 90 days to follow the instructions Beyond that I cannot help you or I would You'll find the next clue in an upstairs closet Where am I Lily There had been five clues in all If Maggie believed what she read she needed to take steps to save her own skin and protect the lives of her friends all while searching for more clues in the United Kingdom where her biological mother had lived A mother she had never seen in person or in a photograph She had no idea who her biological father had been but she intended to find him too and get some answers And now with her adoptive parents dead the maid dead her husband dead and Solicitor Clarke dead someone was coming after her Clue No Five The monster has left New Aylesford and is headed your way You must get to Stone Castle before the monster gets to you find the next clue solve the mystery and stake your rightful claim Remember you must get to New Aylesford before the monster discovers your whereabouts takes your life and steals your fortune All must be resolved before All Hallows Eve lest the dark night void of light seal your fate The monster has promised the deed would be done by then Hurry The clock is ticking Still reeling from what she'd learned about her mother Maggie felt weak frightened anxious and curious But spiritually she felt buoyed up and strong enough to spend the night in a den of lions She may be stepping onto a battlefield but she would not be alone Be on guard Stand firm in the faith Be courageous Be strong 1 Corinthians 16:13 NLT The journey to and through Stone Castle will have you at the edge of your seat rooting for the good guys and wondering who the real bad guys are Not all things are as they appear to be **106 Arrowhead Drive** Kathleen Rigdon Highley, 2009-10 It won't be tonight I can't bear the thought of leaving But she did Catherine Baldwin and Nanny Maggie

gathered up all five children the youngest a mere two weeks old and ran for their lives Catherine's husband was dead and her mother in law wanted revenge power and influence her weapons of choice What would become of the late Dr Bradley Devin Baldin III's widow and her children Was there any hope that the good doctor's legacy would one day be restored to his family Would they ever be able to safely return to the beloved home he had built for them Would 106 Arrowhead Drive be filled once again with the sound of his children's laughter Love's Great Price Kathleen Rigdon Highley,2014-09-30 Love's Great Price is the story of two families who collided wrestled got knocked down stood up faced each other loved each other and made the best of what God had blessed them with Born with a proverbial silver spoon in her mouth Crystal Cummings had wanted for very little during her growing up years But life as she knew it came to a grinding halt the day her parents died in a plane crash in Italy followed closely by a series of unstoppable events orchestrated by God to remake her restore her and redeem her A handsome surgeon comes to town pursued by a half brother who wants him dead A young girl's life is forfeited in a hit and run mishap An ex employee comes to the rescue eight hours after he'd been canned An unwed mother becomes part of the family Come with me on this journey of twists and turns Witness the drama the heartache the joy as these lives are melded together in a true expression of the high price people are willing to pay for unconditional love

Sacrificial Love Kathleen Rigdon Highley,2020-10-12 A catastrophic blizzard hits Lubbock County Texas and three lives are impacted changed and fused together over the course of seven enlightening life altering beautiful and scary days Kim Baldwin discovers it's okay to be who she is and to fall all the way in love with her best friend Christian Devereaux Christian Devereaux learns to be part of something bigger than himself when he and Kim rescue three year old Angel Cane and her teacup Yorkie from the backseat of a car left abandoned in the storm Who left them there and why Where are her parents Good guys and bad guys collide in search of the answer to these questions and many more Join me on a journey to discover the fate of Kim Christian and Angel as they navigate the hills and valleys on their quest to become a real forever family no matter what evil works against them 106 Arrowhead Drive Kathleen Rigdon Highley,2017-09-19 MATTHEW BALDWIN approached the luggage carrier at the airport of his home town of Lubbock Texas He'd been born there and spent the first eight years of his life in Ransom Canyon then his mother whisked the family away in the dead of night running from a vindictive vengeful cruel grandmother On occasion the past came looming up at him like a big black monster Unresolved questions remained Questions he'd run from all those years ago And now he was headed right back into the throes of those dark memories He could do this He'd faced much more harrowing events in Afghanistan Dangers you could touch and see and hear and smell What he had to face in Ransom Canyon however had been growing deep inside him like a tangle of seaweed wrapped around his heart But there's more to the story than gloom and doom and bad memories God made sure of it For the breath of fresh air that stole his heart at first glance would prove to be his greatest blessing and greatest challenge Jessica Roberts with her sparkling eyes and newspaper reporter persona captured Matt's heart in the first hour they met The

dangers and intrigue that would make up the road to their future stretched them both physically emotionally and spiritually Join us on this exciting adventure and see how when and where God works everything out for the good of those who love Him and are called according to His purpose

Brooke Kathleen Rigdon Highley,2018-10-17 Brooke Baldwin had a secret the kind of secret that could shatter families Her daddy was dead and it was her fault It was not in a criminal way but in a moral unforgiveable way She could not face the guilt and could not tell her family maybe ever how she felt about herself So she ran all the way to Rome to study medicine and surgery secretly to find herself and make her father proud Then entered Alessandro Romani He broke the barrier that Brooke had spent years constructing brick by brick fear by fear and goal by goal And now he had come to Lubbock Texas to see her and to meet her family which could be disastrous Would Dr Alessandro Romani turn around and get right back on the airplane to go home and forget they had ever met Maybe yes maybe not Could Brooke trust him with their future trust him to accept her family just as they are and trust him to cherish her Perhaps But could she trust him with the deepest secret of her heart
