### Tenth Grade Reading Comprehension 1: The Forgetful Student

It was a typical Monday morning and Jake was running late for school. He quickly got dressed, grabbed his backpack, and rushed out the door. On the way to school, he realized he forgot his math homework at home. He groaned and turned around, hoping to make it back in time to grab it. As he reached his house, he noticed that his front door was wide open. He frowned, thinking his parents must have forgotten to close it properly. He stepped inside and went straight to his room. He grabbed his math homework and made his way back to the front door.

But as he tried to leave, he found that the door was stuck. He pushed and pulled, but it wouldn't budge. After several minutes of struggling, he finally managed to pry it open. He stepped outside and took a deep breath, relieved to be on his way to school again.

As he walked, he realized that something was off. He looked down and saw that he was still wearing his pajama pants! Mortified, he quickly ducked into an alleyway and tried to figure out what to do. He couldn't go to school like this, but he also couldn't go back home again. After some frantic thinking, he remembered that his friend Max lived nearby. He raced over to Max's house and explained his predicament. Max couldn't stop laughing, but he eventually loaned Jake a spare pair of pants. Jake changed into them as quickly as possible and rushed off to school.

He arrived just in time for his math class. As he handed in his homework, he realized that he had accidentally grabbed Max's math homework instead of his own! He couldn't believe his luck. He was going to get a zero for sure.

But then something unexpected happened. The teacher looked at his paper and smiled. "Good job, Jake," she said. "This is your best work yet!" Jake was dumbfounded. He had no idea what had happened, but he wasn't about to question it. As he left the classroom, he saw Max waiting for him in the hallway. "How did you do that?" he asked, amazed.

Max grinned. "Simple. I did your homework for you last night."

Questions:

1. What did Jake forget at home?
2. What did he notice when he returned home to grab it?
3. What did Jake realize he was still wearing on his way to school?
4. What did Max loan Jake?
5. What happened when Jake handed in his math homework?

Summary question: What are the misadventures of Jake, a forgetful student, as he tries to make it to school on time and ends up wearing his pajama pants to school?
