## 12 Horror Stories Bundle:

**Medicine Bundle** Joshua David Bellin, 2015-02-26 From the 1820s to the 1930s Christian missionaries and federal agents launched a continent wide assault against Indian sacred dance song ceremony and healing ritual in an attempt to transform Indian peoples into American citizens In spite of this century long religious persecution Native peoples continued to perform their sacred traditions and resist the foreign religions imposed on them as well as to develop new practices that partook of both At the same time some whites began to explore Indian performance with interest and even to promote Indian sacred traditions as a source of power for their own society The varieties of Indian performance played a formative role in American culture and identity during a critical phase in the nation's development In Medicine Bundle Joshua David Bellin examines the complex issues surrounding Indian sacred performance in its manifold and intimate relationships with texts and images by both Indians and whites From the paintings of George Catlin the traveling showman who exploited Indian ceremonies for the entertainment of white audiences to the autobiography of Black Elk the Lakota holy man whose long life included stints as a dancer in Buffalo Bill's Wild West show a supplicant in the Ghost Dance movement and a catechist in the Catholic Church Bellin reframes American literature culture and identity as products of encounter with diverse performance traditions Like the traditional medicine bundle of sacred objects bound together for ritual purposes Indian performance and the performance of Indian-ness by whites and Indians alike are joined in a powerful intercultural knot
