Bible Stories & Crafts: Old Testament Mary Tucker, 2007-01-09 Bible stories from the Old and New Testaments are presented in creative ways to help children understand God's work and His presence in their everyday lives. Each story is accompanied by discussion questions, a memory verse, and a fun craft activity. *Noah's Park Children's Church Craft Book, Red Edition*, 2007. The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide. Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson. The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week. Each craft activity in the book has a list of supplies which should be obtained prior to the session.

As the Cold War gripped the world with fear of espionage and nuclear winter, everyday Wisconsinites found themselves embroiled in the struggle. For decades, the state's nuclear missiles pointed to the skies, awaiting Soviet bombers. Joseph Stalin's daughter sought refuge in the small town of Richland Center. With violence in Vietnam about to peak, a cargo ship from Kewaunee sparked a new international incident with North Korea. Manitowoc was ground zero for a Sputnik satellite crash, and four ordinary Madison youths landed on the FBI's most wanted list after the Sterling Hall Bombing. Local author and chairman of the Midwest Chapter of the Cold War Museum, Chris Sturdevant, shares the tales of the Badger State's role in this titanic showdown between East and West.
