Hebrew Bible, Nationalism and the Origins of Anti-Judaism David Aberbach,2022-10-31 In the attempts to unify divided

since the Middle Ages As an edited work the Bible includes texts mostly depicting long gone historical eras extending over
several centuries Following on from Aberbach s previous work National Poetry Empires and War this book argues that works
of this nature notably the Mujo Halil songs in Albania the Irish stories of Cuchulain the songs of the Nibelungen in Germany
or the Finnish legends collected in The Kalevala have an ancient precedent in the Hebrew Bible to which national literatures
often allude and refer a subject largely neglected in biblical studies The self critical element in the Hebrew Bible common in
later national literature is examined as the basis of later anti Semitism as the Bible was not confined to Jews but was adopted
in translation by many other national groups With several dozen original translations from the Hebrew this book highlights
how the Bible influenced and was distorted by later national cultures Written without jargon this book is intended for the
