Foundations of Literacy Sue Palmer,2013-01-01 This fully revised fourth edition outlines seven strands of practice for three to six year old children designed to develop the skills concepts and knowledge underpinning literacy in the early years Accompanying each strand are clear explanations of the research and reasoning on which they are based Practical advice on helping children transfer their learning into their own child initiated activities to build a genuine and solid foundation for literacy is integral to the book **Word Matters** Gay Su Pinnell,Irene C. Fountas,1998 Word Matters presents essential information on designing and implementing a high quality systematic literacy program to help children learn about letters sounds and words **Interactive Writing** Andrea McCarrier,Irene C.
