**English 1: Argumentative Essay Assignment**

**The Assignment:** Write a six-to-ten page argument paper that addresses a current issue that will address our theme of the impact of technology on communication on ourselves, on our world and on what it means to be human (Barrios, 583). The topic and the issue for this paper is the same as your exploratory paper assignment. The purpose of this paper is to present your position on the issue and then argue why by presenting your own reasons and evidence to support your thesis statement.

**Locating Sources for Research.** The purpose of the exploratory paper was to explore different writers and their position, their perspective, and the types of evidence they used in order to form your own position and perspective. You have three sources that you may use in your paper. For this paper, you must include a variety of sources; they cannot all come from Web sites. Search SMC's library online catalog, search for a book, search online databases, find newspaper articles, use the search engine Google scholar at [www.google.com](http://www.google.com), or [www.yahoo.com](http://www.yahoo.com). In addition, observations or experience from your personal life are not allowable. Refer to the following handouts: "Research Guide for Papers," "Sources Acceptable for Academic Papers." Both of these handouts are on eCompanion. If you include an article from a Website, there must be a date and a sponsor/publisher. If this is not available you cannot use this source.

**Thesis Statement and Claim:** Does your thesis clearly include a
