Art As Guide Hidden Message Realization Self:

My Heart Remembers Swami Kriyananda Narayani Anaya, 2023-09-01 A remarkable story of devotion and attunement between a young devotee and a spiritual master Narayani Anaya was twenty four when she first met Swami Kriyananda in 2003 He was seventy seven a global teacher and foremost disciple of Paramhansa Yogananda Recognition was immediate Her heart declared My King He said She seems like a daughter to me Soon she began following Swami around the world India America Europe In 2010 he asked her to become his personal assistant and caregiver Since that day and literally until his last breath Narayani was always by his side Decades of spiritual training were compressed into a few short years preparing her to carry his spirit and message of Self realization to her generation of seekers and to all who would know God [Art as a Hidden Message](#) Swami Kriyananda, 1997-11-01 Art as a Hidden Message A Guide to Self Realization This book offers a blueprint for the future of art and shows how art can be a powerful influence for meaningful existence and positive attitudes in society With insightful commentary on the great musicians artists and creative thinkers of our time Art as a Hidden Message presents a new approach to the arts one that views both artistic expression and artistic appreciation as creative communication Swami Kriyananda shows the importance of seeing oneself and all things as aspects of a greater reality of seeking to enter into conscious attunement with that reality and of seeing all things as channels for the expression of that reality

Solving Stress Kraig Brockschmidt, 2017-10-15 Stress and its many debilitating consequences on health and well being has been for many years one of the most pressing problems in modern culture But because people generally accept that stress is inevitable even desirable in some cases they focus on merely managing stress Unfortunately most stress management methods merely exchange one type of stress for another and although they can buy time and perhaps avoid some immediate issues they do not provide a long term solution to the harmful effects of stress Solving Stress author Kraig Brockschmidt engineer for Microsoft and author of The Harminum Handbook takes a different approach Although you will inevitably encounter potential stressors throughout life and will inevitably react to those stressors it's not inevitable that you must react with stress and tension Instead Solving Stress teaches you simple and effective tools to retrain the nature of your reaction to one of calmness and relaxation giving you direct individual control over your stress These same tools also induce the physiological counter effects of stress activating your body's self healing processes With Solving Stress you'll be able to reduce present stress reverse harmful effects of past stress and prevent most future stress You'll step out of the cycle of stress recover your personal well being and truly transform your relationship with the demands of an active life [The Light of Superconsciousness](#) J. Donald Walters, 1999 We are now at a major turning point in our personal and planetary development Our values are changing dramatically many of us are moving away from our previous emphasis on mere worldly gain toward a new embrace of our own inner spiritual development The Light of Superconsciousness How to Benefit from Emerging Spiritual Trends explains the emerging techniques and attitudes that will help ease the transition to a more
