34 Defensive Guide:

Defending and Defining the Faith Daniel H. Williams,2020 In Early Christian Apologetics D H Williams offers a first comprehensive presentation of Christian apologetic literature from the second to the fifth century CE Williams argues that most apologies were not directed at a pagan readership In most cases ancient apologetics had a double object to instruct the Christian and persuade weak Christians or non Christians who were sympathetic to Christian claims Taken cumulatively he finds apologetic literature was integral to the formation of the Christian identity in the Roman world **Soccer** Cathleen Small,2018-07-15 Soccer is one of the most popular sports in the world but the best soccer players aren t just those who are physically strong This book delves into the mental training behind the physical training Readers learn about the importance of team building and motivation the strategies that are used in different positions on the soccer team and the history of soccer The book even spotlights top soccer players and their secrets to success on the field This book is sure to inspire soccer fans players and non players alike *Defending at Bridge* Bill Treble,2016-09-15 No bells or whistles just the plain simple stuff to get you started on the road to becoming a good defender In eight easy lessons this book covers the things you really need to know opening leads and signaling against notrump and suit contracts second and third hand Play the Rule of Eleven discards and basic strategy Quizzes and example hands make the whole process of learning both fun and productive Praise for Bill Treble s Getting into the Bidding An excellent intermediate level book covering contested auctions The focus is on providing a foundation for choosing and using methods which are available which are popular and what are the trade offs among them The Bridge World Book jacket
