**The 9/11 Commission Report: Final Report of the National Commission on Terrorist Attacks Upon the United States (Authorized Edition)** National Commission on Terrorist Attacks upon the United States,Thomas H. Kean,2004-07-17 The eagerly awaited release of The 9 11 Commission Report has caused an avalanche of press coverage but nearly all of the media commentary has omitted one important attribute of this instant bestseller its readability For once our government has produced a report designed for the public that it purports to serve By comparison the Starr Commission Report was a confusing hodgepodge cobbled together for lawyer clones and the Warren Commission Report resembled a hastily constructed mountain of data By contrast The 9 11 Commission Report is a model of narrative clarity Reading it one gains a better sense of every stage and dimension of these truly terrifying events from the rise of Bin Laden and Al Qaeda to the collapse of the World Trade Center and its aftermath Like a full throttled detective story thrust into real life it renders the near misses and muffed opportunities that enabled the plot to reach fruition With sensationalizing or overgeneralizing the report s authors have given us a document that illuminates the planning and possible countermeasures to these terrible acts Every American should read this book After all we are its target audience and its sponsors R N Wilson    *Governor Tom Kean* Alvin Felzenberg,2006-05-12 Long before Bill Clinton spoke of triangulation a term that referred to a centrist governing style prior to Tony Blair repositioning the British Labor Party midway between Thatcher conservatism and militant trade unionism and far ahead of George W Bush referring to his agenda as compassionate conservatism there was Tom Kean From

the moment of his election to the New Jersey state assembly in 1967 through his guidance of the 9 11 Commission nearly three decades later Kean consistently displayed a knack for bipartisan leadership In this first political biography of one of the nation s most popular and successful governors Alvin S Felzenberg tells the story of a remarkable career that culminated in an unexpected and crucial contribution to the country chairmanship of the 9 11 Commission Felzenberg describes how early in his political career Kean worked to transform New Jersey s legislature in the aftermath of court rulings that mandated redistricting in accordance with the one man one vote principle He discusses Kean s efforts to relieve the urban crisis that followed in the wake of the 1967 Newark riots He relates how Kean was able to use the New Jersey governorship purportedly the strongest in the country to transform a so called rust belt state into a leader in education environmental responsibility and economic growth Kean s successes in these and other areas caused leaders outside New Jersey to follow in his path Together with his fellow governors Kean forged a national consensus on domestic policy between Democratic congresses and Republican presidents in the process winning for himself a leadership role in his own party Kean s story serves as an uncommon case of how a Republican loyal to the historic roots and principles of his party can not only win election in a blue state but effectively govern it Starting from the example the governor set on the state level Felzenberg s account traces Kean s career to positions of trusted authority on the national stage After several years of advising presidents Kean was appointed chairman of the 9 11 Commission In this role he made the bipartisan Congressionally mandated commission one of the most successful in American history Drawing on interviews with Kean as well as with state and national leaders including former presidents Gerald Ford and Bill Clinton and former New York City mayor Ed Koch Felzenberg not only provides a marvelous biography but also offers a unique look at American politics during the last four decades of the twentieth century About the Author Alvin S Felzenberg was Principal Spokesman for the 9 11 Commission and for its non profit successor organization the 9 11 Public Discourse Project More recently he was a fellow at the Institute of Politics at the John F Kennedy School of Government at Harvard University Felzenberg held several senior level posts on Capitol Hill served in two presidential administrations and in the 1980 s was New Jersey s Assistant Secretary of State His writings have appeared in the Washington Post Philadelphia Inquirer Boston Globe Weekly Standard Christian Science Monitor and other publications and he has been a guest on major public affairs television and radio broadcasts including CNN Fox News C SPAN and National Public Radio Felzenberg holds a Ph D in Politics from Princeton University and an M A and B A from Rutgers University
