**Operations Due Diligence: An M&A Guide for Investors and Business** James F. Grebey,2011-09-30 The missing link to determining a company's real value Most people at the M&A table know how to carry out financial and legal due diligence Only the accomplished investors come prepared with an in depth understanding of the complete due diligence process Operations Due Diligence is a game changing guide for investors who need a fully accurate determination on the sustainability of a business Written by a hands on operations executive who has successfully implemented process improvement programs at large and small businesses this practical

guidebook sets itself apart by providing a step by step strategy for analyzing the toughest area of a business to assess its operations. Unlike financial and legal due diligence there were no principles such as law and accounting to guide operations due diligence until now. This turnkey approach based on a pragmatic series of almost 400 questions helps you accurately assess the infrastructures of a business's customer satisfaction, production, information management, sales and marketing organization and personnel as well as its finances and legal operations. For managers and business owners looking to improve the sustainability of their business this guided inquiry serves as a thorough operations checklist to next level performance. Whether you are an investor trying to capture a new opportunity with minimal risk or an executive struggling to improve your business Operations Due Diligence gives you a distinct advantage by Going a step further than most books and illustrating how to analyze your discoveries. Using historic examples to make the lessons both understandable and memorable. Clearly explaining how and why each sector is an important indicator of the long term sustainability of a business. Conveniently locating infrastructure summary questions at the end of chapters for quick reference. Providing a document checklist so nothing gets overlooked at the negotiating table. The highest valued companies and their investors know that producing the best products and services isn't enough. Survival depends on continually improving infrastructure through Operations Due Diligence. **Performance Audit of the Department of Central Management Services' Operation of the State Vehicle Fleet** Illinois.
