Health and Safety Programs in Small and Medium-sized Businesses Gregory G. Zigulis, 2006-01-29 This book is intended to help people newly involved in the development of workplace safety and health programs to understand principles and concepts that can help them roll out what is often referred to as a safety program. It introduces the safety and health landscape in simple terms and provides a framework for common program start up or program improvement action steps. Providing small and medium sized enterprises SMEs with a primer on how to think about and go about creating a safety program, this book presents a higher level overview framework models and suggestions resource information and shares concepts that can help readers not only meet regulatory requirements but also provide true value to the organization. Safety consultant Greg G. Zigulis presents readers with an accessible overview of the types of things that should be known and considered in order to create and run an effective and sustainable health and safety program. Written for a broad professional readership, this book will be invaluable for all SME businesspersons and practitioners who need a seasoned expert to provide an understandable introduction to safety programs whatever their situation. It is particularly relevant to start ups and people given responsibility for workplace safety without a background in this area.

Blackwell's Five-Minute Veterinary Practice Management Consult Lowell Ackerman, 2006-08-30 Blackwell's Five Minute Veterinary Practice Management Consult is a comprehensive one stop reference text on all things management related from understanding the marketplace in which veterinarians practice to appreciating hospital finances to the nuts and bolts of marketing services for a veterinary practice. Topics are covered in a thorough but concise format and provide invaluable information for practice owners administrators associates and staff. Key Features follows the popular Five Minute Veterinary Consult structured format consistency of presentation makes for easy information retrieval focus is on practical rather than theoretical solutions for veterinary practice issues. Provides examples within relevant topics. Sections include The veterinary marketplace Client relationship management Communications Financial management Cash management Human resources Marketing management Operations management Administrative management Practice safety Legal Issues Planning Decision making Facility management design and construction Plus appendices list of abbreviations glossary and more.
