## **The Marriage Mirage:**

*The Mirages of Marriage* William J. Lederer, Don De Avila Jackson, 1968 This helpful incisive analysis of marriage in America discusses the false assumptions of modern marriage and how to make a marriage work. It is imperative to realize the authors argue that the marital relationship is an interlocked system in itself not a function of individual partners. They offer techniques for appraising one's own marriage, discuss the use of counselors and the dangers of unilateral therapy and outline the major elements of a satisfactory marriage. *Marriage Or Mirage* Morolayo Owoputi, 2019-04-13 This is a book on marriage and understanding successful marriage's love languages like Gary Chapman's book True marriages are a blessing but the consequences that come from a bad marriage are not experiences anyone wishes to live with as these could be cancerous to personal health families societies and nations. As every day realities set in some marriages come across to the dispassionate observer as simply struggling to thrive. Some marriages may appear to be in good health but lack substance. While some fall apart along the way most seem to be enduring marriage rather than enjoy it. Many individuals seem to be struggling to come to terms with the reality that their dreams of a blissful peaceful profitable and harmonious union have been eroded with the passage of time. The surprises are just incredible. There's a significant difference between a true marriage and its counterfeits. Marriage or Mirage is a book for all individuals who are ready and willing to make great marriages. A profoundly compelling book that unravels the secrets to having a marriage that works lastingly through the vicissitudes of life. It's not a book that attempts to mock challenging or failing marriages but rather a resource to help show what marriage is not. It primarily shows you how to know if there's a marriage in your house or a mirage. It reveals and addresses devastating occurrences that make illusionary mirages out of many marriages today. It also illustrates what the Originator's view of marriage is and spells out the roles assigned to each party in the marriage partnership to prevent the occurrence of mirages. A must read. With this book spouses in a discordant marriage are armed with the knowledge of what to do to redeem their marriages and those enduring marriage would discover how their marriages could become a delight rather than an exercise of endurance. Even those experiencing a separation are given by this work the keys to form future workable marriages. It also points out to individuals planning a divorce some truth they need to consider before saying never again. Young couples about getting married are fore armed with the laws of union which they must continually exercise to build a lasting marriage. Above all it will help stakeholders see how to make a marriage work such that all dreams of living happily ever after can become a reality which is the end desired for all true marital journeys. *The Marriage Mirage* John Samuel, 2014-08-09 Twenty years of marriage ends in divorce. John Samuel discusses his family in laws and the events that led to his divorce. An insightful look in to today's marriage dilemma and how couples might understand each other better.

**Not a Mirage** Poonam A. Bamba,2010-02-01 Author s encounters with husbands and wives in different stages of agony and despair while holding matrimonial court led her to reflect deeply on the dynamics of the relationship called marriage Case after case revealed that a lot goes into preparation for rituals and extravaganza associated with marriage But hardly a thought is spared about this delicate relationship Girls and boys are very demanding of their companion but none is ready to pitch in Both want their own way their own space but are reluctant to invest in togetherness The real life stories revealed that you cannot have a perfect twosome when each individual brings his her own imperfections Conflicts would always be there but they can be managed A beginning made with the preamble that marriage has to work can make this bond beautiful

To build a pleasant relationship a couple needs to give time to each other to adjust to the new company and to respect each other's way of life. Attempt to change the other is surely avoidable. Through this book the author shares real life stories of estranged spouses. What went wrong in their relationship and where. Could the marital relationship in certain situations have been saved? Perfect Marriage Not a Mirage also addresses endless doubts which go on in the minds of spouses at the crossroads of their relationship. But at the same time it also demonstrates that there is no uniform code which can make a marriage work. There cannot be a perfect recipe or a rule book which can guide couples to a successful marriage.
