Chinese manuscripts including the ancient tomb text version discovered by archaeologists at Linyi China Ralph Sawyer an outstanding Western scholar of ancient Chinese warfare and a successful businessman in his own right places this classic work of strategy in its proper historical context Sawyer supplies a portrait of Sun tzu s era and outlines several battles of the period that may have either influenced Sun tzu or been conducted by him While appreciative of the philosophical richness of the Art of War this edition stresses Sun tzu s practical origins and presents a translation that is both accurate and accessible
