

# Amazing Grace

Words & Music by John Newton

*Verse I*

A                          D                          A

Amazing grace, how sweet the sound

E

That saved a wretch like me,

A                          D                          A

I once was lost but now I'm found,

E                          A

Was blind but now I see.

*Verse 2*

A D A

'Twas grace that taught my heart to fear

E

And grace my fear relieved,

A D A

How precious did that grace appear,

E A

The hour I first believed.

*Verse 3*

A                          D                          A

Through many dangers, toils and fears

E

We have already come,

A    D                          A

'Twas grace that brought us safe thus far,

E                          A

And grace will lead us home.

*Verse 4*

A                          D                          A

When we've been there ten thousand years,

E

Bright shining as the sun,

A                          D                          A

We've no less days to sing God's praise

E                          A

Than when we first began.
