Health and Sports Day is an interesting traditional event in Japan. I'm interested in finding out about it. Also, can you tell me about this special day?

Of course, Dan. In my village, we always have lots of exciting races and games. My race was very tiring!

Did you win?

No, I didn't. I was disappointed. I was surprised, too, because I'm a very good fast runner. But there are lots of amazing athletes here today! There's a band here today, too. Their music is very entertaining.

That's right! It's relaxing to sit in the sun and listen to music. There's some great traditional dancing later, too. I'm very excited about that!

Children all over the world enjoy playing games together. A popular children's game in Mexico is The Blind Hen.

Playing this game is lots of fun. You start by choosing one child to be the hen and covering their eyes so that they can't see. Jumping the child around and around makes the game more difficult.

It's time for the hen to start finding and tagging the other children.

The other children enjoy running around and calling the hen. Saying things like "Come and get me!" or "I'm over here!" makes the game more exciting. After tagging all the children, the hen can have a rest and another child can try being the blind hen.
