**Drag Queens and Beauty Queens** Laurie Greene, 2020-12-18 The Miss America pageant has been held in Atlantic City for the past hundred years helping to promote the city as a tourist destination But just a few streets away the city hosts a smaller event that in its own way is equally vital to the local community the Miss d America drag pageant Drag Queens and Beauty Queens presents a vivid ethnography of the Miss d America pageant and the gay neighborhood from which it emerged in the early 1990s as a moment of campy celebration in the midst of the AIDS crisis It examines how the pageant strengthened community bonds and activism as well as how it has changed now that Rupaul s Drag Race has brought many of its practices into the cultural mainstream Comparing the Miss d America pageant with its glitzy cisgender big sister anthropologist Laurie Greene discovers how the two pageants have influenced each other in unexpected ways Drag Queens and Beauty Queens deepens our understanding of how femininity is performed at pageants exploring the various ways that both the Miss d America and Miss America pageants have negotiated between embracing and critiquing traditional gender roles Ultimately it celebrates the rich tradition of drag performance and the community it engenders *Autobiography of an Ex-white Man* Robert Paul Wolff, 2005 *Autobiography of an Ex White Man* is an intensely personal meditation on the nature of America by a White Philosopher who joined a Black Studies Department and found his understanding of the world transformed by the experience The book begins with an autobiographical narrative of the events leading up to Wolff s transfer from a Philosophy Department to the W E B Du Bois Department of Afro American Studies at the University of Massachusetts and his experiences in the Department with his new colleagues all of whom had come to Academia from the Civil Rights Movement of the 1960s Wolff discovered that the apparently simple act of moving across campus to a new Department in a new building worked a startling change in the way he saw himself his university and his country Reading as widely as possible to bring himself up to speed in his new field of academic responsibility Wolff realized after a bit that his picture of American history and culture was undergoing an irreversible metamorphosis America he realized has from its inception been a land both of Freedom and of Bondage Freedom for the few and then for those who are White Bondage at first for the many and then for those who are not White Slavery is thus not an aberration an accident a Peculiar Institution it is the essence and core of the American experience Wolff s optimistic outlook leads him to express the hope that our acknowledging the realities of America s racial history and present will begin to tear down the formidable barrier to change He sees this refashioning of the American story as a first step toward the crafting of a truly liberatory project Robert Paul Wolff is Professor of Afro American Studies at the University of Massachusetts Amherst and the author of numerous books including *Introductory Philosophy* and *In Defense of Anarchism* **New American Democracy** Morris Fiorina, Professor Morris P Fiorina, Paul Peterson, 1998-07 *The New American Democracy* Morris P.
