Unit 3 Study Guide Era of the Early Republic (1789-1824)

** Use this optional study guide to support your learning! You are still responsible for all of the information within the unit including what is in assignments on Schoology, and assigned readings and videos. Only handwritten study guides will be accepted for credit.*

Overview

This unit examines the early presidential administrations of the United States, assessing the effectiveness of the new state and national governments. Students will evaluate the ways in which the leaders of the Early Republic interpreted the Constitution to respond to challenges posed by domestic and foreign issues. Students will explore the recurring themes of distribution of power, sectionalism, partisanship, and America's commitment to the ideal of equality.

Essential Questions

Think about these questions throughout the unit... and beyond!

1. How can foreign policy, economic interests, domestic disputes, and precedents influence how Americans interpret the Constitution?
2. How did leaders during the Early Republic balance the principles of isolationism with the desire to grow economically?
3. How did the growth of nationalism during the Early Republic impact American Identity?
4. What factors lead to the growth of political parties during the era of the Early Republic and what functions do political parties play in democratic societies?
