Olson,Gavin M. Wax,2024-01-23 The Emerging Populist Majority analyzes America s political future and changing coalitions through long term and emerging trends across demography geography and ideology America is on a new rendezvous with destiny at least that s what co authors Troy M Olson and Gavin M Wax explore in The Emerging Populist Majority With confounding consensus narratives in our media and culture and building on Donald Trump s historical upset in the 2016 presidential election Olson and Wax make the case that the populist revolt remaking American politics is merely at the midfield point Furthermore they argue that this revolt is poised to continue long term and more recent trends predict that populism will become the major political movement in America for the remainder of the twenty first century Building on the late 1960s tradition when Kevin P Phillips accurately predicted the next generation of Republican dominance at the presidential level and considering the forecasted coalition of the ascendent that found its way through the electoral process in the 2006 midterm wave and election of Barack Obama in 2008 The Emerging Populist Majority exists both in that tradition and sets itself apart Casting doubt and scrutiny on realignments and the traditionally agreed upon narrative about them this book is an exploration of the elite corridors of American society Leaving no stone unturned this analytical dive into the past present and future of America s changing electorate and emerging coalitional makeup running through its two major parties has something for the politically obsessed across the divide at home and abroad    Our Continent ,1884    **Good News for Moderns** Nero James Pruitt,2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John

Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom     The Critic Jeannette Leonard Gilder,Joseph Benson Gilder,1896     The Publishers Weekly ,1893     A List of the Principal Publications Issued from New Burlington Street ,1893     Literary News ,1882     "The" Nation ,1899
