

# How to write a letter .....

At the heart of Amnesty International is this idea: that we are at our most powerful when we stand together for human rights. Letter writing is at our core, and has been ever since our first letter-writing campaign in 1961. We know letter writing works. Every year, thousands of people are saved from human rights abuses thanks to letters from people like you.

## A QUICK GUIDE FOR NEW LETTER WRITERS:

- Always be polite – it is important to show respect for a country's constitution and judicial procedures and an understanding of current difficulties.
- Take care to follow Amnesty International's instructions on a case – for example if the calls are for medical treatment for a prisoner, make sure that you only ask for this and not for a speedy trial or immediate release, which may not be appropriate.
- Letters will be more effective if you stress that your concern for human rights is not politically biased, but in keeping with the principles of international law.
- Be brief – keep letters to around one page.

## TEMPLATE LETTER:
