## An Iranian Metamorphosis Paperback:

An Iranian Metamorphosis Mānā Nayastānī, 2014 A cockroach landed Iranian cartoonist Mana Neyestani in jail and turned his life upside down Iran Hamid Dabashi, 2016-10-05 In this unprecedented book Hamid Dabashi provides a provocative account of Iran in its current resurrection as a mighty regional power Through a careful study of contemporary Iranian history in its political literary and artistic dimensions Dabashi decouples the idea of Iran from its colonial linkage to the clich notion of the nation state and then demonstrates how an aesthetic intuition of transcendence has enabled it to be re conceived as a powerful nation This rebirth has allowed for repressed political and cultural forces to surface redefining the nation s future beyond its fictive postcolonial borders and autonomous from the state apparatus that wishes but fails to rule it Iran s sovereignty Dabashi argues is inaugurated through an active and open ended self awareness of the nation s history and recent political and aesthetic instantiations as it has been sustained by successive waves of revolutionary prose poetry and visual and performing arts performed categorically against the censorial will of the state
