

An Accident

Last Monday I was going to my college on the Ring Road. The road was very busy because it was a rush hour. Suddenly I heard a loud noise. I looked around and found a bus moving towards the pavement. One of its tyres had burst. The driver lost control of the vehicle. The bus ran on the pavement, hit a car and a person. The car was badly damaged and the person was hurt. The bus driver was arrested and taken to the police station. The accident happened at about 10 o'clock in the morning. The road was closed for about two hours. The police are investigating the cause of the accident.
