**An English Custom** James Henry,2014-11-02 Major Rupert Stonely came home after a dubious career selling surplus army equipment Unfortunately the army didn t know that He had also expected to inherit his late mother s estate she it seemed had other ideas Rupert was about to be usurped by a glorified waiter and he quite literally didn t have the balls to do anything about it Timothy Montague however did he just didn t know how to use them The Stonely Estate is set in the quiet English countryside a world away from the problems of post war Britain Self sufficient and off the map it s traditions and tranquillity was about to be shattered by the reading of the Stonely will Rupert Stonely heir apparent found himself demoted for the second time in his life to little more than a live in caretaker His mother the Duchess stout in both heritage and proportions had taken a lover who had worked his charms into her bed and heart All Major Stonely had to do was produce a child and reclaim what was rightfully his Sadly his gun only fired blanks A busty barmaid a solicitor with an awkward problem a draconian housekeeper and a trainee customs investigator and amateur bird watcher all play their part in the unfolding story of An English Custom
