## An Intersection Of Strangers:

*An Intersection of Strangers* Paul Heagen,2014-11-21 The notion that our lives could be unexpectedly transformed even rescued through the simple kindness of a stranger holds special fascination to nearly everyone When that intersection of lives happens twice between the same two people once under the faded hood of one of the most iconic cars in American history the other amid a crowd of strangers at an airport 30 years later it's a story that stands above the rest *An Intersection of Strangers* tells the tale of two teenage boys Scott and Greg who develop an unlikely friendship during their quixotic quest to rebuild a broken down 57 Chevy into a hot rod in the early 70s Scott is strangely compelled to track down Greg 25 years later only to find his life ruined by mental illness and drug abuse *An Intersection of Strangers* is a story about forgiveness and acceptance redemption and the stubborn faith of true friends Paul Heagen is an executive coach author blogger and public speaker His focus is on guiding people to discover and pursue a deeper purpose in their business and personal lives He came to his faith in God during the historic Jesus Movement in the early 70s and since has served as a church founder satellite church pastor worship leader and musician bible study teacher pulpit speaker and advisor to church leaders for more than three decades His is the father of two girls and has two grandchildren He and his wife live in Cincinnati Ohio

*In the Arms of a Stranger* Dale J Bingham,2001-11-11 In the Arms of a Stranger is Dale J Bingham's touching and moving account of his career as a paramedic From his early years as a medic in Southern California to his work as a Tulsa Oklahoma paramedic he gives an inside look at the rewards the trials and the heartaches that emergency workers face everyday In between he writes of his own struggles with a difficult career and of tragically losing his own mother to the very part of life he worked so hard to conquer In the Arms of a Stranger will tug at the heartstrings of the reader and leave the reader with a greater appreciation for those emergency workers who struggle everyday to help those in need
