## **Amnesty International Report Order:**

**Conflict and Compliance** Sonia Cardenas,2011-03-18 International human rights pressure has been applied to numerous states with varying results In Conflict and Compliance Sonia Cardenas examines responses to such pressure and challenges conventional views of the reasons states do or do not comply with international law Data from disparate bodies of research suggest that more pressure to comply with human rights standards is not necessarily more effective and that international policies are more efficient when they target the root causes of state oppression Cardenas surveys a broad array of evidence to support these conclusions including Latin American cases that incorporate recent important declassified materials a statistical analysis of all the countries in the world and a set of secondary cases from Eastern Europe South Africa China and Cuba The views of human rights skeptics and optimists are surveyed to illustrate how state rhetoric and behavior can be interpreted differently depending on one's perspective Theoretically and methodologically sophisticated Conflict and Compliance paints a new picture of the complex dynamics at work when states face competing pressures to comply with and violate international human rights norms   **Justice and Foreign Rule** D. Jacob,2014-10-08 Can foreign rule be morally justified Since the end of the First World War international transitional administrations have replaced dysfunctional states to create the conditions for lasting peace and democracy In response to extreme state failure the author argues this form of foreign rule is not only justified but a requirement of justice   **Amnesty Now** ,2003   **Practice of Torture by Foreign Governments and U.S. Efforts to Oppose Its Use** United States.
