Never Marry a Woman with Big Feet Mineke Schipper, Wilhelmina Janneke Josepha Schipper, 2003-01-01 In this study the author analyses similarities, differences and contradictions in the cultural norms about gender expressed in proverbs she has found in oral and written sources from over 150 countries. Grouping the proverbs into categories as the female body, love, sex, childbirth and the female power, the author examines shared patterns in ideas about women and how men see them.

An Improper Bethrothment Henrietta Houston, Prudence Martin, 1982

Just Love Her D. E. Fast, 2022-06-09 What you need is a good woman. That was my mother's consistent counsel from the time I didn't get asked to play on the neighborhood little league team to when Donna and I broke up in high school. What you need is a good woman. Don I believed my mother when she said it. I didn't walk around on a daily basis and repeat the mantra of the good wife but I did take it to heart. It wasn't until I got married that I realized that although I had a good woman life wasn't getting easier or more fulfilling in fact it was getting much much harder. One of the goals of Just Love Her is to identify a number of the fallacies that many of us men have hung onto believing like me in my younger days that when you find the right woman all your problems will magically disappear. Most of the time not all but most it's after marriage that the real problems begin. It's not that they weren't there before it's just that our good woman turns into a full length relational mirror exposing the sin and idolatries that were already there but were easy to run away from before we got hitched to our eventual bad wife. This little book will identify one of the main causes of bad marriages idolatry. Many if not most men worship the ground she walks on instead of just loving her.
