book puts America's most trusted tax advisors to work for your business. Detailed guidance includes recordkeeping requirements, dollar limits, sample forms and checklists, and even shows you exactly which line on which form needs what information and where to find it. Business taxes have so many moving parts that putting it all together can seem more difficult than actually running your business in the first place. J K Lasser puts a stop to the madness by breaking down the requirements, forms and processes into a sensible workflow with expert help that can save your business money. Organize your recordkeeping for a more streamlined filing. Claim income and losses from business property and capital gains. Identify the many business expenses that qualify as deductions. Learn professional planning strategies specifically for small businesses. Work more efficiently with your own tax advisor. You're an expert on your business, not taxes. Unless you're inclined to moonlight as a tax accountant, you need a trusted expert on your side to help you keep more money where it belongs in your business. J K Lasser's *Small Business Taxes* is the ultimate guide to filing quickly, correctly and with less stress so you can get filed and get back to work. **Subject Guide to Books in Print**, 2001 **QUICKBOOKS 2006**
