

Documentary Research Strategy to Research Canada

Documentary Research: Ethical/Physical significance:	1. Recent work Documentary research has been a subject of interest in Canadian literature and scholarship, but only for a relatively short period of time. The documentary research of the 1970s and 1980s was largely a response to the need for a more systematic and comprehensive approach to the study of Canadian literature and culture. This approach was based on the idea that the study of Canadian literature and culture should be based on a systematic and comprehensive approach to the study of Canadian literature and culture.
