Ethics and Positive Accounting Theory Gordon Douglas Richardson, 1995 **Financial Accounting Theory** Craig Deegan, 2022-10-12 Craig Deegan's Financial Accounting Theory provides a concise approach while comprehensively covering both traditional and contemporary theories that have emerged as the practice of accounting has evolved. Social and environmental accountability and reporting issues are discussed in depth along with coverage of critical perspectives, public sector accounting and fair value. Instructors and students value Financial Accounting Theory for its reader friendly style using straightforward explanations and numerous practical examples. This new edition continues to follow this approach with the addition of NEW content focusing on how different perspectives of organisational responsibilities and accountabilities impact the way accounting is performed and the theories that different researchers choose to use apply **EBOOK:**

Financial Accounting Theory: European Edition DEEGAN, CRAIG, 2011-01-16 The second edition of Craig Deegan and Jeffrey Unerman's market leading text presents the various theories of financial accounting through a balanced and dynamic approach. Students are given all the tools to engage with these theories and are encouraged to critically evaluate and challenge them. Clearly written and user friendly this new edition provides comprehensive coverage of internationally developed accounting theories from a European perspective **Accounting Theory** Harry I. Wolk, James L. Dodd, John J. Rozycki, 2008 Like its previous editions the Seventh Edition of Accounting Theory presents complex materials in a clear and understandable manner. Incorporating the latest accounting standards and presenting the most up to date accounting theory from the top academic journals in accounting and finance throughout the world this book comprehensively presents both the theoretical structure of accounting theory as well as the politics of the standard setting process which often opposes the theoretical structure. Key Features A reorganized table of contents with a thoroughly revised chapter on International Accounting Chapter 10 Discussion of the conceptual framework of the IASB Chapter 7 An emphasis on principles based standards as opposed to rules based standards More theoretical issues are related to real world examples coming from the popular news media New questions cases problems and writing assignments many from corporate annual reports An Instructor's Resource CD includes answers to end of chapter materials chapter summaries test banks and PowerPoint slides

[Memorial Articles for 20th Century American Accounting Leaders](#) Stephen Zeff, 2016-03-31 This collection of memorial articles and selected obituaries highlights the careers and contributions to accounting practice the accounting profession and the accounting literature of leading American figures in the 20th century. The memorial articles do much more than recite their subject's career. More importantly they discuss and assess their subject's role in influencing the course of accounting practice and the profession as well as the evolution of their influential writings revealing the names of the accounting leaders and leading thinkers of the past century. Memorial Articles for 20th Century American Accounting Leaders is useful in providing students and young researchers with a rich source of intelligence on the leaders who have established norms of

practice advanced the profession and set the terms of debate in the literature leaders who are cited and even quoted but who are known mostly as names without a full bodied treatment of their backgrounds and broader roles in shaping the accounting literature

Earnings Management and Corporate Governance. An Investigation of Financial Statement Reporting of Publicly Listed Companies in Nigeria Ademola Akinteye, 2019-12-09 Doctoral Thesis Dissertation from the year 2015 in the subject Business

economics Investment and Finance grade Great Distinction UGSM Monarch Business School Switzerland Accounting and Finance course Doctor of Philosophy in Finance language English abstract The dissertation examined Earnings Management and Corporate Governance Governance Practices of the firms that are listed on the floor of the Nigerian Stock Exchange. The researcher investigated the published financial statements of all the listed companies across all the sectors of the exchange using empirical quantitative research methods. All the variables of earnings management were extracted from the published annual financial statements and Directors Annual Reports through Content Analysis. The paper further explored all the variables of corporate governance as published by the Directors in the Annual Reports in the Financial Statements and through a face to face recorded interviews of the members of the Board of Directors, the members of the Audit Committees and the Heads of Internal Audit Functions in the Listed Public Companies. The study documented that companies that are listed on the Nigerian Stock Exchange are involved in both the upward and downward earnings management practices. This findings cut across all the Sectors and categorization of the companies on the Nigerian Stock Exchange. The research thus recommended the need for better oversight by the Board of Directors, the Audit Committee and the Market Regulators mainly the Security and Exchange Commission and the Nigerian Stock Exchange. The findings of the Research on Corporate

Governance is mixed In certain sectors evidence of strong corporate governance are documented as reflected in the quality of Board Members the Quality of the deliberations at the Board meetings the independence of the Board the independence of the Audit Committee and the independence and effectiveness of the Head of the Internal Audit function measured by the reporting line of the holder of this role In some sectors the ingredients of strong corporate governance were missing thus suggesting a need for a more stricter regime of corporate governance to be implemented in these corporations
