Tyler and Viv have found each other again after a three day fling three years ago Ideally suited for each other they try to make a relationship work However they soon realize Tyler was expecting a twenty four seven total power exchange and Vivian will never be a twenty four seven submissive As they try to find a compromise Vivian must deal with what a Total Power Exchange means even if it s only a part time power exchange and Tyler must decide if he can live with a sometimes Master and sometimes boyfriend relationship Will they find their pot of gold at the end of the rainbow This title was published in 2010 with less than half the current content The story has been considerably rewritten and contains a great deal of new material We think it s a far better story now but if you read the original you can be the judge Warning Contains graphic language consensual BDSM bondage and the use of toys including clamps canes plugs paddles and floggers
