Corporate Social Responsibility Sustainable Value Creation Fifth Edition redefines corporate social responsibility CSR as  
being central to the value creating purpose of the firm and provides a framework that firms can use to navigate the complex  
and dynamic business landscape Based on a theory of empowered stakeholders this bestselling text argues that the  
responsibility of a corporation is to create value broadly defined The primary challenge for managers today is to balance the  
competing interests of the firm s stakeholders understanding that what they expect today may not be what they will expect  
tomorrow This tension is what makes CSR so demanding but it is also what makes CSR integral to the firm s strategy and day
