

Box Plot Matching Game

Instructions:

- Separate the cards into 2 groups, box plots and 5-number summaries.
- Keep the groups separate and place all the cards face down.
- Turn over one card from each group to find a 5-number summary and a box plot to match. If you find a match, ask a friend to verify, and keep the cards.
- If they are not a match, flip them back over and it is the next player's turn.
- The player with the most matches wins.
