France Since The Second World War:

France Since the Second World War Tyler Edward Stovall,2002 Asking how France has managed to preserve and shape her sense of national identity in the intervening years since the war Professor Stovall explores the French postwar recovery and the 30 years of prosperity that followed Colonial Culture in France since the Revolution Pascal Blanchard,Sandrine Lemaire,Nicolas Bancel,Dominic Thomas,2013-12-02 This landmark collection by an international group of scholars and public intellectuals represents a major reassessment of French colonial culture and how it continues to inform thinking about history memory and identity This reexamination of French colonial culture provides the basis for a revised understanding of its cultural political and social legacy and its lasting impact on postcolonial immigration the treatment of ethnic minorities and national identity

France Since 1815 Martin Evans,Emmanuel Godin,2014-01-21 Part of the Modern History for Modern Languages Series France since 1815 provides an accessible overview of the major socio political changes in France during this period Designed for area studies students studying French it presents the historical context necessary for language students to understand the complexities of contemporary French society Adopting a chronological approach it surveys nearly two hundred years of French history with events covered including The French Revolution The Bourbon Restoration The Third Republic Occupied France The Fourth Republic The Gaullist Revolution and France after 2003 This revised edition includes new material that focuses on Chirac's second mandate Iraq war religion suburbs and the inability impossibility of carrying on with reform an assessment of the controversial Sarkozy presidency and a final chapter covering the last ten years culminating in the results of the French presidential elections in 2012 Features include clear timelines of main events and suggested topics for discussion glossary inserts throughout of key terms and concepts the use of primary documents to recreate and understand the past free access to a website <http://www.port.ac.uk/special/france1815to2003> containing a wealth of complementary material Drawing on the best scholarship particular emphasis has been given to the role of political memory the contribution of women and the impact of colonialism and post colonialism The relationship between France and her European partners is analysed in greater depth and there are new sections explicitly situating France and the French within a wider transnational global perspective

The Routledge Companion to World History since 1914 Chris Cook,John Stevenson,2006-01-27 The Routledge Companion to World History since 1914 is an outstanding compendium of facts and figures on World History Fully up to date reliable and clear this volume is the indispensable source of information on a thorough range of topics such as the Arab Israeli conflict anti semitism and the Holocaust all the world's major famines and natural disasters since 1914 whether all countries of the world have a king president prime minister or other governance GNP of the world's major states year by year biographies of key figures civil rights movements the Vietnam War the rise of terrorism globalization Thematically presented the book covers topics relevant from the First World War to the Iraq war of 2003 and from post colonial Africa to conflicts and movements in Southeast Asia With maps chronologies and

full bibliography this user friendly reference work is the essential companion for students of history politics and international relations and for all those with an interest in world history *Post-beur Cinema: North African Emigre and Maghrebi-French Filmmaking in France since 2000* Will Higbee,2013-07-31 Since the early 1980s filmmakers of Maghrebi origin have made a key contribution to the representation of issues such as immigration integration and national identity in French cinema However they have done so mostly from a position on the margins of the industry In contrast since the early 2000s Maghrebi French and North African emigre filmmakers have occupied an increasingly prominent position in on both sides of the camera announcing their presence on French screens in a wider range of genres and styles than ever before This greater prominence and move to the mainstream has not automatically meant that these films have lost any of the social or political relevance of Beur cinema of the 1980s or the banlieue film of the 1990s Indeed in the 2000s these films have increasingly questioned the boundaries between national transnational and diasporic cinema whilst simultaneously demanding either implicitly or explicitly a reconsideration of the very difference that has traditionally been seen as a barrier to the successful integration of North African immigrants and their descendants into French society Through a detailed study of this transformative decade for Maghrebi French and North African emigre filmmaking in France this book argues for the emergence of a Post Beur cinema in the 2000s that is simultaneously global and local in its outlook An absorbing introduction to this key development in contemporary French cinema Post Beur Cinema is essential reading for students and scholars in Film Studies French Studies and Diaspora Studies

[The EU as global actor and its influence on the global gender regime](#)
Stefanie Kessler,2009-02-16 Research Paper postgraduate from the year 2008 in the subject Politics Topic European Union grade B 1 7 University of Auckland language English abstract In the last years the European Union EU transformed the European gender regime towards gender equality thoroughly This dissertation deals with the question of the EU's external influence on transforming societies Is the external influence coherent with internal claims Trade is the EU's most important external policy area The EU is an economic giant based on the largest single market in the world Thus the EU has power in and through trade The EU makes increasingly the adaptation of normative standards a condition to access its market Does the EU integrate also standards on gender equality And does the EU transform gender regimes globally through trade What impacts does the EU have on gender regimes This dissertation examines gender impacts in the Sustainability Impact Assessments that show possible impacts of trade agreements between the EU and its partners The analysis shows that gender is secondary to economic growth and not directed towards gender equality As a consequence the EU does not use its power through trade and the coherence of internal and external efforts is questionable
